

Our goal is to increase vendor success by offering value added finance solutions. We do this by providing individual attention, one-call convenience, and 100% service satisfaction guaranteed. We call this Leasing Made Easy.

How it Works

1. Call 1-800-225-3428

Simply provide the customer name, phone number and your quote.

2. When the paperwork is ready, Vendor Services issues you a purchase order. You ship/install your products and fax the invoice to us.

3. Vendor Services will send funds upon the customer's verbal confirmation. It's that easy!

Solutions for Growth

We strive to continuously create products and services that meet your unique needs. Leasing Made Easy provides you with:

- **Dedicated Personnel.** Vendor Services offers you a dedicated sales representative to provide free consultation and support to create a customized program that works effectively for you and your customers.
- **Fast Credit Decisions.** We process and approve leases quickly and efficiently. Let us empower your sales force to close the deal.
- **Online Solutions.** You will have access to comprehensive online reporting designed to streamline lease administration including buyout information for upgrade.
- **Upgrade Service.** We offer a service to alert you when your customer's lease is near termination. With an Upgrade Lease, your customers can avoid equipment obsolescence and you obtain repeat business.
- **Pre-Funding.** No need to wait until the end of a lengthy equipment installation to get your money. We can create a program where the equipment is pre-funded.
- **100% Financing.** We offer 100% financing, even on software. We can also customize a program to bundle soft costs including maintenance, training and other costs.
